Sidhbari Experience

The experience of sidhbari was overall great but there were some bits of the trip that were very memorable. We never performed outside Patiala so it was for the first time going outside Patiala for such a golden opportunity. We all were excited for the trip. We began our journey early in the morning on 6th of May with the blessings of our parents, our teachers and our principal, Ms. Manpreet sharma and Ms. Meenakshi. We enjoyed our journey while playing games, singing songs and dancing in the bus. In between our journey we stopped at Iyrdurara Bhikhar Sahib to offer our prayers for our safe journey. At the end we safely reached our destination. We all were welcomed warmly by Ms. Nanki. The surrounding was very peaceful. Then we had our lunch which was very delicious. Afterwards we went to our rooms with our luggages and took rest. We then in the evening, practised for our next day's performance. The next

day was the memorable day for all of us. It was the day when we performed there in front of a huge audience. Everyone praised us and they even had tears in their eyes. They told us, that our performance made them emotional and they had a sense of spiritualism. We went to explore Hirachal to Melod ganj. There we visited the temple and on the way back, we did shopping, had snacks and even clicked pictures and then came back to Ashram. The next day was our last day there. We were enjoying there at the fullest and didn't want to leave the place. We went for a forest walk around the Ashram. On the last day, we had Hira-chali dhaam, which was very delicious. Afterwards we started our journey back to school on 8th May. In the end, I want to thank all the staff and Nanki Man for making it such a wonderful experience. We hope to be part of such musical trips in the near future as well.
