The life time achievement award for a teacher is tearful eyes, smiling faces and flowers in hands of the students to bid memorable farewell.

This year we bid adieu to two of our devoted teachers, **Mr. Vishvajit** and **Ms. Rubi Shammah David** who achieved their superannuation in the months of **September and December, 2022**.

A beautiful card was made by Mr. Nar Singh where all the teachers penned down their feelings.

Students bid a very touching adieu to their favourite teachers by presenting beautiful handmade cards, flower sticks, bouquets and captured emotional moments in cameras. Students expressed their gratitude and sincere feelings in their articulation. The sports students gave a special salute to Mr. Vishvajit by presenting **Cricketers' Standing Ovation** which was really heart rending. A melodious **farewell choir** was sung by the school students.

The auditorium was festooned appropriately to organize farewell party with great enthusiasm and heartfelt feelings and of course endeavoured to leave a trail of nostalgia behind. Both the teachers served this institution for more than **three decades**.

The celebrations did not end here, a sumptuous lunch embedded with warmth and affection was organized by the staff. Everyone wished them a spectacular life ahead with bounties of love, prosperity, infinite happiness and good health.
