MSSSP reporters were very excited and thrilled to observe that the school celebrated **International Mother's Language Day on February 21, 2022.**

For this, the credit goes to UNESCO – the day is celebrated to promote cultural diversity and multilingualism.

Our school organized a special

assembly, where **Sargunjeet Kaur (IX-A)** delivered an inspiring speech on the importance of one's mother language. Senior students also participated in the activities to show their skills. This day is celebrated globally to represent the significance of mother language in the lives of the people of that state.
