**India's 73<sup>rd</sup> Republic Day** was celebrated with fervour, warmth, pride and reverence at **MSSSP**.

To mark this day, **MSSSP family** organised special assemblies for all classes. Various activities like poster making, card making, singing patriotic songs, presenting traditional dance forms, presenting tricolour dishes and colourful tricolour eye-catching rangolis also marked the day.

Children also recited poems, delivered speeches and sang patriotic songs in English, Punjabi and Hindi.

Republic day celebrations are incomplete without making us feel proud of the fact "***Sare Jahan se Achcha Hindusta Hamara***" which was sung by our school students. The national anthem was also sung which marked the end of the event.
