

A ROUND AROUND THE SCHOOL

~ Samayviraj Singh (V-A) & Simarpreet Kaur (V-A) ~

Reporters, Modern School Life Magazine

March 9, 2022

We, the reporters are highly proud and happy to report about the visit of students of classes **I-V** to take a round of their own school i.e. **Modern Senior Secondary School**.

The students started their trip from **Modern Nursery School** where the centre of attraction was the sand pit area. They,

The best part of it was knowing about the importance of compost pit. They also learnt how waste can be used to make organic food for the good growth of plants. The students were also excited to learn about organic farming, a step towards healthy life.

The trip around the school was thoroughly

then visited the laboratories , lush green enjoyed by the students. Later they were
play grounds and basketball court. asked to write about their experience.
