Modern Senior Secondary School, Patiala organised an **educational trip to the Department of Botany, Punjabi University, Patiala** for grade 10 students on July 26, 2022. As many as **84 students** participated in this educational tour which included the visit to **Museum, Herbarium and Photo Art Gallery**.

various specimens collected from different regions are pressed, dried and fumigated with formaldehyde to avoid the growth of any pathogen. Specimens are preserved on herbarium sheets giving details about specimen from where, by whom and on which date it was collected, etc.

The students were then taken to the museum
