We are thrilled to share that **MSSSP** organised **Kids' Carnival (Boys and Girls)** under the aegis of **Patiala Sahodya Complex** on November 11, 2022.

Four students each from **32 schools** participated in various categories of events like **Pot Painting**

**Competition, Fancy Dress Competition, Poetry Recitation and Solo Dance Competition.**

The eminent judges from their respective fields judged the events scrupulously. It was a happening day with fun and frolic all around. The participants enjoyed the day to the fullest.
