On December 13, 2023, a group of third-graders was given the opportunity to tour the **Bird Century and Baradari Gardens in Patiala, Punjab.**

This excursion was organized as part of '**The Field Visits Programme,**' aiming to give students a firsthand look at the native plants and animals.

Students had the opportunity to see a variety of bird species and their habitats at the Bird Century.

The learners especially enjoyed exploring the Baradari Gardens, which are embellished with a wide variety of plants and flowers.

In conclusion, the field trip to Baradari Gardens and the Bird Century proved to be a worthwhile educational experience. The students returned to school with a newfound appreciation for the environment and a commitment to its preservation.
