August 11, 2024

Modern Senior Secondary School, Patiala,
successfully hosted a two-day **Capacity Building
Programme (CBP) on Biology for Senior
Secondary Classes** on 9th and 10th August 2024.

Organized by the **CBSE Centre of Excellence**

professional development experience.

The first day focused on teaching strategies, lesson planning, and constructivist approaches to biology instruction. On the second day, the emphasis shifted to hands-on topics such as

(CoE), the workshop was part of the **PRP (Prospective Resource Persons)** initiative to strengthen teaching methodologies and subject knowledge among Biology educators.

Mr. S.K., Principal of Anees School, Kharar, and **Mrs. Jatinder Kaur, PGT Biology at DAV Public School, Mohali,** served as resource persons, guiding **34 biology teachers** from **Punjab** and neighboring states through an enriching

assessment techniques, investigatory projects, practical rubrics, and laboratory demonstrations.

The interactive nature of the programme allowed participants to engage collaboratively, sharing best practices and challenges.

The workshop concluded with participants expressing gratitude for the valuable insights and confidence to apply their new knowledge in classrooms.
