February 29, 2024

On **February 29, 2024**, an **Investors' Awareness Programme** was conducted at **MSSS Patiala**, organized by **CBSE**. The session, attended by **62 teachers**, aimed to sensitize educators about financial literacy and the use of digital tools in

goals, the long-term benefits of equity investments against inflation, and the importance of regular investing through SIP for retirement security. Additionally, he stressed the necessity of life and health insurance, being informed investors, and

today's context. **Mr. Parveen Kumar**, with 24 years of diverse experience, served as the speaker.

The session commenced with a warm welcome by **Principal Mrs. Manpreet Sharma**, emphasizing the importance of financial planning in educators' lives.

Mr. Kumar's insights, enriched with real-life experiences, highlighted key aspects such as the significance of financial planning for achieving

using digital payment methods cautiously to avoid fraud.

The session concluded with a vote of thanks and the collection of feedback from attendees. Overall, it provided valuable insights and tools for teachers to plan their financial futures effectively, ensuring they are well-prepared for retirement and equipped to navigate the digital financial landscape with confidence.
