At **Modern Senior Secondary School Patiala (MSSSP)**, **Labour Day/Week (April 29th - May 4th)** is a tradition in which the entire institution celebrates the hardworking efforts of the support staff. Through their unrelenting commitment and hard work, these unknown heroes make it possible

cleaning items packed in gift hampers. A **special assembly** was conducted in which these hampers were provided to the support staff as a token of appreciation for all their effort and being supportive all the time.

The gesture was reciprocated with joy by the

to have a functional and efficient learning institution that fosters the well-being of all learners in its school community.

In return for their support, meticulous services, and indispensable help, **MSSSP** held a **week-long celebration** to show appreciation for the **support staff**, during which an **Inter-House Poetry Recitation Competition** based on the theme '**Labour Day**' was conducted. The school aimed to improve a culture of civic responsibility by encouraging the students to develop natural citizenship qualities, stretching a positive light through such a program.

The students were encouraged to **donate daily-use products**, including groceries, toiletries, and

support staff, boosting their morale by showing the families' appreciation of their hard work; without the support staff, the school cannot function smoothly. The celebration was not only intended to show appreciation towards the support staff but also aim at encouraging students to develop a spirit of gratitude and togetherness.

MSSSP's celebration of **Labour Week** exemplifies the school's commitment to holistic education, where students learn not only academic subjects but also the importance of gratitude, respect, and community service. By honouring the support staff, the school has set an example of how to cultivate a culture of appreciation and inclusivity within an educational institution.
