Modern Senior Secondary School, Patiala, hosted a **Capacity Building Training Programme** for Teachers on 27th May 2024. The event commenced with Principal **Mrs. Manpreet Sharma** felicitating **Ms. Sukanya Sharma**, the esteemed resource person.

Ms. Sukanya delivered an in-depth overview of the **National Curriculum Framework (NCF 2023)** and the **National Educational Policy (NEP 2020)**, emphasizing the importance of strengthening foundational literacy and numeracy skills in early education.

Key discussions revolved around various pedagogical approaches, promoting a vision for holistic assessment that transcends rote learning to evaluate diverse skills and competencies. The session highlighted critical aspects such as foundational learning, multidisciplinary approaches, integrated knowledge, activity-based learning, and enhancing verbal communication skills.

The training program provided an invaluable platform for teachers to deepen their understanding of **NCF** and **NEP**, equipping them with innovative strategies to improve educational outcomes.
