

76TH ANNUAL SPORTS MEET

MSSSP STUDENTS

SPRINT, THROW, AND

JUMP TO VICTORY!

Reporters, Modern School Life Magazine

October 26, 2024

We were thrilled to watch the talented students of **Modern School Patiala** showcase their athletic ability at the **76th Annual Sports Event**, held recently. The enthusiasm and energy were palpable as students from pre-nursery to grade 12 participated in various track and field events.

The sports meet featured an arrangement of thrilling events, including **100m** and **200m** races, **hurdles**, **shot put**, **discus throw**, **javelin**, and **long jump**. Novelty races like **animal mask races**, **bouncing ball**, and **hoop and pop** added to the excitement.

Trophies were awarded to winners in three categories: **Under-14**, **Under-17**, and **Under-19**. Students from four houses - **Hemant**, **Greesham**, **Varsha**, and **Basant** - competed for top honours, displaying exceptional teamwork and

sportsmanship.

The **4x100m relay** races witnessed intense competition, with **Greesham house** dominating the **Under-14** category and **Basant house** emerging victorious in the **Under-17** and **Under-19** categories. We were honoured to have **Olympian Gurpreet Singh** as our chief guest. His motivational words encouraged students to pursue their passion for sports, strive for excellence, and cultivate a healthy lifestyle.

The **76th Annual Sports Event** underscored **Modern School Patiala's** commitment to nurturing a culture of sportsmanship, teamwork, and physical fitness among its students.

The event concluded with a sense of pride, unity, and achievement, setting the stage for another year of sporting excellence at MSSSP.
