**Modern Senior Secondary School, Patiala,** celebrated **World Book Day** on April 23 with engaging and educational activities that connected students to the world of books in new and exciting ways.

Grade 6 students were introduced to the library's classification system, learning how books are organized and shelved. Grade 7 students participated in dictionary training sessions to

enhance their vocabulary and develop skills for independent word exploration. Meanwhile, Grade 8 students attended a visual and interactive session on the history and evolution of paper, tracing the fascinating journey of the written word.

The celebration was a thoughtful blend of curiosity, learning, and hands-on experiences, offering students a deeper appreciation of books and the processes that bring them into their lives.
