Over 120 students of Modern Senior Secondary School, Patiala, were part of around 350 people, including students from others schools too, who chanted the 15th chapter of the **Bhagavad Geeta** in unison on 25 April 2026 at **SDKS Bhawan, Patiala**, to celebrate 75 years of the global spiritual organisation, **Chinmaya Mission**.

The event, organised by **Chinmaya Mission Patiala**, was presided over by its **Acharya, Swami Madhavananda**. The chief guest on the occasion was **Patiala Member of Parliament, Dr. Dharamvira Gandhi**.

The audience's beautiful synchronisation during the chanting of the **Bhagavad Gita**, along with

bhajans, created an inspiring and uplifting atmosphere for everyone present. Modern School's music group and students were especially appreciated for their perfectly coordinated chanting and musical performances.

Addressing the gathering, **Swami Madhavananda** spoke about how mass Gita chanting fosters devotion, promotes inner well-being, and helps people imbibe the life-management principles enshrined in the **Bhagavad Geeta**.

Dr. Dharamvira Gandhi, in his address to the audience, remarked that life management techniques in the **Bhagawad Geeta** can be used to create a better Patiala, better Punjab, better India and a better world.
