Students of Modern Senior Secondary School, Patiala, enthusiastically participated in a National-level Competition organised by the **Ministry of Environment, Forest and Climate Change, Government of India**, on the theme “**Elephant and Traditional Knowledge: Celebrating Cultural Heritage.**”

Through their creative and thoughtful

The initiative provided them with an enriching platform to showcase their creativity while developing greater awareness of environmental conservation and cultural traditions.

Participation in this meaningful national-level platform encouraged young learners to think innovatively, appreciate India’s diverse heritage and recognise the importance of preserving both nature

expressions, the students explored the profound relationship between elephants, traditional wisdom and India's rich cultural heritage.

and traditional knowledge.

The event was a valuable learning experience that blended creativity & environmental awareness.
