A team of educators from **Modern Senior Secondary School** attended the **Premium Schools Post-AI Summit & Future Readiness Changemakers Awards 2026**, held on July 19, 2026, at **Amity University, Mohali**. The summit, organised by the **FutureBridge Alliance** in collaboration with the **Association of Indian Principals (AIP)** and the **Patiala Chamber of Commerce and Industry (PCCI)**, focused on the

Prof. Anil Srinivasan, Founder of KRUU, encouraged educators to develop creativity, innovation, and collaboration through his message, “Rest, Restore, and Retool.”

Motivational speaker Mr. Vivek Atray reminded everyone that while AI is a valuable tool, it cannot replace human qualities such as empathy, creativity, leadership, and wise decision-making.

The summit was attended by Mrs. Manpreet

growing role of Artificial Intelligence in education.

Chief Guest **Mr. Vivek Sunder, CEO of Cuemath**, spoke about the importance of asking the right questions, guiding students as facilitators of learning, promoting moral values, and ensuring students' well-being.

Sharma, Mrs. Surinder Kaur Baxi, Mrs. Sapna Bansal, Ms. Monika Arora, and Mr. Inderdeep Singh.

The team expressed sincere gratitude to **Ms. Anju Mehta** for providing them with this enriching learning opportunity.
