Modern Senior Secondary School, Patiala celebrated **Pi Approximation Day (22/7)** with great enthusiasm. Organised by the **Mathematics Department** and conducted by the students of Grades IX and X, the event beautifully combined

memory skills by memorising the value of π up to 15 decimal places.

The programme was graced by the esteemed presence of the **Vice Principal, Mrs. Meenakshi Tewari**, whose words of encouragement inspired

learning with fun.

The celebration began with an informative presentation highlighting the significance of π (Pi) in mathematics and everyday life.

Students enthusiastically participated in an interactive quiz and showcased their remarkable

the students and added to the spirit of the celebration.

The event successfully promoted curiosity, critical thinking and a love for mathematics, making learning an enjoyable and memorable experience for all.
